

## Rene Yao Aldea

**Address:** Block 18 Lot 14 Calachuchi st., Brgy. San Luis, Antipolo Hills Subdivision, Antipolo City, Rizal

**Telephone Number:** (02)213-8051

**Cellphone Number:** 09153723712

**E-mail Address:** aldeareneyao@gmail.com

## Objectives

---

To further my expertise in the field of Computer Engineering and utilize the knowledge I currently possess in a professional working environment especially in the line of web and software development.

## Education

---

### Bachelor of Science in Computer Engineering (June 2009 – March 2015)

*Technological Institute of the Philippines (Quezon City)*

- Complied with all the **CISCO** modules required in Computer Engineering program.
- Collaborated in developing a prototype monitoring system for forest activity which integrated web application, JAVA application, and microprocessor technology in compliance to our Project Design course.

## Experience

---

### Web Administrator & Data Encoder Trainee (December 1, 2014 – March 31, 2015)

iPower Products & Systems Inc. (#30 Gen. Capinpin st., San Antonio Village, Brgy. San Antonio, Pasig City)

I was assigned to manage a legal business website which was hosted on **Wordpress**. I am also the encoder of a large number of data which was vital to the business operations of the company.

## Skills

---

- Trained in fundamental commands in **Windows Command Line** and **Linux Terminal**
- **4 months** experience in using **Adobe Photoshop CC** and **Adobe Illustrator CS6** while in OJT
- Implemented small-scale web projects using **HTML5**, **CSS3**, **jQuery/AJAX** and **PHP**
- Currently sharpening my skills and experience in the following web development tools and technologies:
  - **Bootstrap**, a front end web development framework
  - **Node.js**, a cross-platform server-side Javascript environment
  - **Grunt**, **Yeoman**, and **Bower**, front end build tools which runs on **Node.js**
  - **Git**, an open source version control system
- Developed course-required projects which uses:
  - **Object Oriented Programming**, primarily using **JAVA** and **C++**
  - **Database Management System** using **MySQL** and **IBM DB2**
- Certified Working Proficiency in English, based on **HOPKINS TOEIC** English proficiency test score result (870)
